Hello! So one day, I was riding on the bus thinking, 'Hey! Why not make a challenge for the fellow HTTYD authors?' And so this was born!

-Everything must be original (Names, plot etc.)

-It must be a modern fic. (In modern times, 2012)

-All dragons must be human, and I mean every dragon. They also must look alike (Toothless- Black skin= black hair, Green eyes etc.)

-The dragons must look like a normal human, if they have green scales, they can wear something on their head that is the same color as their scales (or they could have dyed their hair).

><p>In case you were wondering-<p>

-The story could be any rating.

-It could take place anywhere you want.

-You can make any other pairing in the story, but Hiccup and Astrid must end up together.

-You have to tell me the name of the story! Hey, it's my challenge.

-The dragons could have made up names, but it must be known that they are who they are (people have to know in an instant you are talking about Stormfly etc.)

-The dragons DON'T HAVE TO be clones of themselves, they could look the same but have different personalities.
